SPEAKERS

Meredith Cummins is a highly driven and dedicated health professional who thrives on delivering world class care to NET patients and enhancing the skills of other health professionals to deliver this care.

She has been involved in Oncology for the past 35 years in metropolitan, rural, public and private settings. She has been a key player instrumental in the commissioning and establishment of private cancer care facilities in Australia.

Meredith is on the Board of Directors for CNSA and is the Chair of the Sydney State Group of CNSA.

Meredith has been working at NeuroEndocrine Cancer Australia since 2018 as the Project Officer / CRA and works predominantly in developing the PLANET Registry, education programs and materials for health professionals and patients nationally and internationally and been actively involved on Advisory Boards globally.

Meredith Cummins
Chair

Dr Marco Matos works as a Medical Oncologist at the Gold Coast University Hospital, Pindara Private Hospital and Gold Coast Private Hospital. He has an interest in Gastrointestinal malignancies especially Neuroendocrine tumours.

Dr Matos also dedicates time to research with trials at different facilities on the Gold Coast.

Dr Marco Matos
Speaker

Evgenia van Berkel is a Program Coordinator within the Patient Services Team with Zest Healthcare Communications Agency/EBOS Group. She has worked in various roles in project management, customer service and office administration before joining the agency in 2018. She enjoys interacting daily with patients and health care professionals involved in their care, and helping patients access and navigate available support services.
