

# PARTICIPANTS NEEDED

FOR CLINICAL RESEARCH PROJECT

***Have you had a diagnosis of Cancer and are you 18 years or older?***

**You are invited to complete an online questionnaire.**

## What is this research about?

We are interested in identifying psychological factors that contribute to the development and maintenance of *anxiety* in individuals with a lived experience of cancer. We are also interested in comparing these factors to those without an illness.

## What will I be requested to do?

- Time 1: Fill out an ~30min questionnaire,
- Time 2: Fill out a shorter ~15min survey (1-4 weeks after Time 1),
- Time 3: Fill out the ~30min questionnaire again (6 months after Time 1).

**Questionnaire can be completed on your phone or computer.**

**To thank you for your time, you will go into a raffle to receive 1 of 11 AUD\$100 e-gift cards for completing both Time 1 and 2 questionnaires. You will then go into another raffle to receive 1 of 11 AUD\$100 e-gift cards after you also complete the Time 3 questionnaire.**

Your participation is voluntary and you can stop at any time. Your data will remain confidential.

**Use this link, or scan the QR code to learn more or to take part.**
